- 2 year experience in Softronic as software quality assurance engineer (website & application)

### ***Projects:***

- 1. Coucou  
coucoutuni  
sia.com
- Coucoutunisia is E-Commerce project based on Tunisia, like [www.aliexpress.com](http://www.aliexpress.com/) HYPERLINK "http://www.aliexpress.com/" HYPERLINK "http://www.aliexpress.com/". It has two major parts first E-commerce site secondly High discount section this e-commerce site has some unique idea which make it different from other sites like after

every 10 seconds product price change which was difficult to handle in automation environment.

- 2.  
Kwick  
Dish  
kwikd  
ish.co  
m

Kwikdish is online food supplies website where eater can find home cook and economical restaurants nearest area. Identified business requirements and create Test plan and test design and execute manual test suit and write test script for automation through selenium webdriver.
