### Lafiya - 24/7 TeleHealth

Swift, Xcode

<https://apps.apple.com/pk/app/lafiya-24-7-telehealth/id1540086171>

Looking for a reliable doctor on demand free app?

Want to talk to a doctor on convenient certified doctors on demand platform where you can schedule appointments, chat, & video call?

Meet Lafiya Telehealth, a digital healthcare platform that provides on-demand 24/7 healthcare services to its clients in Nigeria, Africa, and developing countries to consult doctors worldwide.

### Cubimo Advisor

Swift, Xcode

<https://apps.apple.com/pk/app/cubimo-advisor/id1487657679>

If you are looking for an expert in any field (executive coaching, digital marketing, personal development, product development, funding, finance, leadership training and more), Cubimo Advisor will help you connect with the right expert for advise or coaching. You can easily book a meeting, pay in the app and automatically get a receipt.

### Speakeasy Live

Swift, Xcode

<https://apps.apple.com/pk/app/speakeasy-live/id1573441176>

Speakeasy is a new type of social app which allows you to watch your favorite creators put on shows, complete with guests and an audience of thousands (or more), streaming in high quality audio and video, and allowing for interaction via comments or claps.

### Insta Stories

Swift, Xcode

Insta Stories let you view statuses of people and download them. You can view your timeline also.

### Cubimo Connect

Swift, Xcode

Insta Stories let you upload your ideas for sale. Where people can view and buy ideas.
