

# Nabeel Sohail

iOS Developer

**Phone:** 03044841220  
**Address:** plot 4,5 new canal park taj Bagh Lahore  
**Email:** [abdullah6236a@gmail.com](mailto:abdullah6236a@gmail.com)

iOS developer with more than 3 years of experience in developing native iOS apps. Veteran of navigating development and submission processes. Adept at verifying compliance with both App Store policies and design best practices. I've spent the bulk of my career building iOS applications from an idea to a version 1.0 (or MVP) launch for clients and small startups which turned into great products with thousands of users.

## EXPERIENCE

### 3S solutions

January 2021 - Present

#### Senior iOS Developer

- Working on enterprise level apps like Orbis, responsible for maintaining and working on new features of the app
- Develop app architecture and responsible for high quality code and refactoring of the huge chunks of the product
